## QUESTIONS AND ANSWERS ABOUT THIS PROXY STATEMENT AND VOTING

### What is a proxy?

A proxy is the legal designation of another person to vote the stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document is also called a proxy or a proxy card. By completing, signing and returning the accompanying proxy card, you are designating Robert N. Weingarten, Corporate Secretary, as your proxy for the Annual Meeting and you are authorizing Robert N. Weingarten to vote your shares at the Annual Meeting as you have instructed on the proxy card. This way, your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the Annual Meeting, we urge you to vote in one of the ways described below so that your vote will be counted even if you are unable or decide not to attend the Annual Meeting.

### What is a proxy statement?

A proxy statement is a document that we are required by regulations of the U.S. Securities and Exchange Commission, or "SEC," to give you when we ask you to sign a proxy card designating Robert N. Weingarten as proxy to vote on your behalf.

### Why did you send me this proxy statement?

We sent you this proxy statement and the enclosed proxy card because our board of directors is soliciting your proxy to vote at the Annual Meeting. This proxy statement summarizes information related to your vote at the Annual Meeting. All stockholders who find it convenient to do so are cordially invited to attend the Annual Meeting virtually. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card or vote over the Internet, by phone, or by fax.

We intend to begin mailing this proxy statement, the attached notice of Annual Meeting, the enclosed proxy card, and a copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2019 on or about August 24, 2020 to all stockholders of record entitled to vote at the Annual Meeting. Only stockholders who owned our common stock on July 31, 2020 are entitled to vote at the Annual Meeting.

### What Does it Mean if I Receive More than one set of proxy materials?

If you receive more than one set of proxy materials, your shares may be registered in more than one name or in different accounts. Please complete, sign, and return each proxy card to ensure that all of your shares are voted.

### How do I attend the Annual Meeting?

The Annual Meeting will be held on September 29, 2020, at 10:00 a.m. Pacific Time in a virtual format online by accessing <https://www.issuereirect.com/virtual-event/ghsi>. Information on how to vote in person at the Annual Meeting is discussed below.

### Who is Entitled to Vote?

The board of directors has fixed the close of business on July 31, 2020 as the record date (the "Record Date") for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting or any adjournment or postponement thereof. On the Record Date, there were 88,309,962 shares of common stock outstanding. Each share of common stock represents one vote that may be voted on each proposal that may come before the Annual Meeting.

## What is the Difference Between Holding Shares as a Record Holder and as a Beneficial Owner (Holding Shares in Street Name)?

If your shares are registered in your name with our transfer agent, VStock Transfer, LLC, you are the “record holder” of those shares. If you are a record holder, these proxy materials have been provided directly to you by the Company.

If your shares are held in a stock brokerage account, a bank or other holder of record, you are considered the “beneficial owner” of those shares held in “street name.” If your shares are held in street name, these proxy materials have been forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to instruct this organization on how to vote your shares. See “How Will my Shares be Voted if I Give No Specific Instruction?” below for information on how shares held un street name will be voted without instructions provided.

## Who May Attend the Annual Meeting?

Only record holders and beneficial owners of our common stock, or their duly authorized proxies, may attend the Annual Meeting. If your shares of common stock are held in street name, you will need to provide a copy of a brokerage statement or other documentation reflecting your stock ownership as of the Record Date.

## What am I Voting on?

There are four matters scheduled for a vote:

1. To elect five (5) members to our board of directors;
2. To ratify the appointment of Weinberg & Company, P.A. as our independent registered public accounting firm for the fiscal year ending December 31, 2020;
3. To approve an amendment to the Company’s 2018 Equity Incentive Plan (the “2018 Plan”) to increase the number of shares issuable thereunder to 10,000,000 shares from 3,000,000 shares; and
4. To extend the previously-granted discretionary authority of our board of directors to amend our certificate of incorporation, without in any way affecting the prior authorization, to combine outstanding shares of our common stock into a lesser number of outstanding shares, or a “reverse stock split,” at a specific ratio within a range of no split to a maximum of a one-for-thirty (1-for-30) split, with the exact ratio to be determined by our board of directors in its sole discretion, from the current authorization date through December 5, 2020, to within one year of the date this new proposal is approved by stockholders, or September 29, 2021 (the “Reverse Split Extension”).

## What if another matter is properly brought before the Annual Meeting?

The board of directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the person named in the accompanying proxy to vote on those matters in accordance with his best judgment.

You also may submit your proxy by mail by following the instructions included with your proxy card. The deadline for submitting your proxy by Internet is 11:59 p.m. Eastern Time on September 28, 2020. Our Board's designated proxy, Mr. Weingarten, will vote your shares according to your instructions. If you attend the live webcast of the Annual Meeting you also will be able to vote your shares electronically at the meeting up until the time the polls are closed.

### ***Beneficial Owners of Shares Held in Street Name***

If you are a street name holder, your broker or nominee firm is the legal, registered owner of the shares, and it may provide you with materials in connection with the Annual Meeting. Follow the instructions on the materials you receive to access our proxy materials and vote or to request a paper or email copy of our proxy materials. The materials include a voting instruction card so that you can instruct your broker or nominee how to vote your shares. Please check the voting instruction card or contact your broker or other nominee to determine whether you will be able to deliver your voting instructions by Internet in advance of the meeting and whether, or if you attend the live webcast of the Annual Meeting, if you will be able to vote your shares electronically at the meeting up until the time the polls are closed.

All shares entitled to vote and represented by a properly completed and executed proxy received before the Annual Meeting and not revoked will be voted at the Annual Meeting as instructed in a proxy delivered before the Annual Meeting. We provide Internet proxy voting to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies.

### **How Many Votes do I Have?**

On each matter to be voted upon, you have one vote for each share of common stock you own as of the close of business on the Record Date.

### **Is My Vote Confidential?**

Yes, your vote is confidential. Only the inspector of elections, individuals who help with processing and counting your votes and persons who need access for legal reasons will have access to your vote. This information will not be disclosed, except as required by law.

### **What Constitutes a Quorum?**

To carry on business at the Annual Meeting, we must have a quorum. A quorum is present when a majority of the shares entitled to vote, as of the Record Date, are represented in person or by proxy. Thus, 44,154,982 shares must be represented in person or by proxy to have a quorum at the Annual Meeting. Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. Shares owned by the Company are not considered outstanding or considered to be present at the Annual Meeting. If there is not a quorum at the Annual Meeting, either the chairperson of the Annual Meeting or our stockholders entitled to vote at the Annual Meeting may adjourn the Annual Meeting.

### **How Will my Shares be Voted if I Give No Specific Instruction?**

We must vote your shares as you have instructed. If there is a matter on which a stockholder of record has given no specific instruction but has authorized us generally to vote the shares, they will be voted as follows:

1. “For” the election of five (5) members to our board of directors;
2. “For” the ratification of the appointment of Weinberg & Company, P.A. as our independent registered public accounting firm for the fiscal year ending December 31, 2020;
3. “For” the approval of an amendment to the Company’s 2018 Equity Incentive Plan (the “2018 Plan”) to increase the number of shares issuable thereunder to 10,000,000 shares from 3,000,000 shares; and
4. “For” the Reverse Split Extension.

This authorization would exist, for example, if a stockholder of record merely signs, dates and returns the proxy card but does not indicate how its shares are to be voted on one or more proposals. If other matters properly come before the Annual Meeting and you do not provide specific voting instructions, your shares will be voted at the discretion of Robert N. Weingarten, the board of directors’ designated proxy.

If your shares are held in street name, see “What is a Broker Non-Vote?” below regarding the ability of banks, brokers and other such holders of record to vote the uninstructed shares of their customers or other beneficial owners in their discretion.

### **How are Votes Counted?**

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count, for the election of directors, “For,” “Withhold” and broker non-votes; and, with respect to the other proposals, votes “For” and “Against,” abstentions and broker non-votes. Broker non-votes will not be included in the tabulation of the voting results of any of the proposals and, therefore, will have no effect on such proposals.

### **What is a Broker Non-Vote?**

A “broker non-vote” occurs when shares held by a broker in “street name” for a beneficial owner are not voted with respect to a proposal because (1) the broker has not received voting instructions from the stockholder who beneficially owns the shares and (2) the broker lacks the authority to vote the shares at their discretion.

Our common stock is listed on the Nasdaq Capital Market. However, under current New York Stock Exchange (“NYSE”) rules and interpretations that govern broker non-votes: (i) Proposal No. 1 for the election of directors is considered a non-discretionary matter, and a broker will lack the authority to vote uninstructed shares at their discretion on such proposal; (ii) Proposal No. 2 for the ratification of the appointment of Weinberg & Company, P.A. as our independent registered public accounting firm is considered a discretionary matter, and a broker will be permitted to exercise its discretion to vote uninstructed shares on the proposal; (iv) Proposal No. 3 for the approval of an amendment our 2018 Equity Incentive Plan to increase the number of shares of common stock issuable thereunder, is considered a non-discretionary matter, and a broker will not be permitted to exercise its discretion to vote uninstructed shares on the proposal; and (iv) Proposal No. 4 for the Reverse Split Extension is considered a discretionary matter, and a broker will be permitted to exercise its discretion to vote uninstructed shares on the proposal. Because NYSE rules apply to all brokers that are members of the NYSE, this prohibition applies to the Annual Meeting even though our common stock is listed on the Nasdaq Capital Market.

### **What is an Abstention?**

An abstention is a stockholder’s affirmative choice to decline to vote on a proposal. Under Delaware law, abstentions are counted as shares present and entitled to vote at the Annual Meeting. Generally, unless provided otherwise by applicable law, our second amended and restated bylaws provide that an action of our stockholders (other than the election of directors) is approved if a majority of the number of shares of stock entitled to vote thereon and present (either in person or by proxy) vote in favor of such action. Therefore, abstentions will have no effect with respect to Proposals 1, 2 and 3. Abstentions will have the effect of a vote “against” Proposal 4.

## How many votes are required to approve each proposal?

The table below summarizes the proposals that will be voted on, the vote required to approve each item and how votes are counted:

<b>Proposal</b>	<b>Votes Required</b>	<b>Voting Options</b>	<b>Impact of “Withhold” or “Abstain” Votes</b>	<b>Broker Discretionary Voting Allowed</b>
Proposal No. 1: Election of Directors	The plurality of the votes cast. This means that the nominees receiving the highest number of affirmative “FOR” votes will be elected as directors.	“FOR” “WITHHOLD”	None <sup>(1)</sup>	No <sup>(3)</sup>
Proposal No. 2: Ratification of Appointment of Independent Registered Public Accounting Firm	The affirmative vote of the holders of a majority in voting power of the votes cast affirmatively or negatively (excluding abstentions) at the Annual Meeting by the holders entitled to vote thereon.	“FOR” “AGAINST” “ABSTAIN”	None <sup>(2)</sup>	Yes <sup>(4)</sup>
Proposal No. 3: Approval of increase in number of shares of common stock issuable under the 2018 Equity Incentive Plan	The affirmative vote of the holders of a majority in voting power of the votes cast affirmatively or negatively (excluding abstentions) at the Annual Meeting by the holders entitled to vote thereon.	“FOR” “AGAINST” “ABSTAIN”	None <sup>(2)</sup>	No <sup>(3)</sup>
Proposal No. 4: Reverse Split Extension	The affirmative vote of the holders of a majority of the outstanding shares of our common stock.	“FOR” “AGAINST” “ABSTAIN”	(5)	Yes <sup>(4)</sup>

- (1) Votes that are “withheld” will have the same effect as an abstention and will not count as a vote “FOR” or “AGAINST” a director, because directors are elected by plurality voting.
- (2) A vote marked as an “Abstention” is not considered a vote cast and will, therefore, not affect the outcome of this proposal.
- (3) As this proposal is not considered a discretionary matter, brokers lack authority to exercise their discretion to vote uninstructed shares on this proposal.
- (4) As this proposal is considered a discretionary matter, brokers are permitted to exercise their discretion to vote uninstructed shares on this proposal.
- (5) Abstentions will have the effect of a vote against this proposal.

## What Are the Voting Procedures?

In voting by proxy with regard to the election of directors, you may vote in favor of all nominees, withhold your votes as to all nominees, or withhold your votes as to specific nominees. With regard to other proposals, you may vote in favor of or against the proposal, or you may abstain from voting on the proposal. You should specify your respective choices on the accompanying proxy card or your vote instruction form.

## Is My Proxy Revocable?

You may revoke your proxy and reclaim your right to vote at any time before your proxy is voted by giving written notice to the Corporate Secretary of the Company by delivering a properly completed, later-dated proxy card or vote instruction form or by voting in person at the Annual Meeting. All written notices of revocation and other communications with respect to revocations of proxies should be addressed to: Guardion Health Sciences, Inc., 15150 Avenue of Science, Suite 200, San Diego, California 92128 Attention: Corporate Secretary. Your most current proxy card or Internet proxy is the one that will be counted.

## Who is Paying for the Expenses Involved in Preparing and Mailing this Proxy Statement?

All of the expenses involved in preparing, assembling and mailing these proxy materials and all costs of soliciting proxies will be paid by us. In addition to the solicitation by mail, proxies may be solicited by our officers and other employees by telephone or in person. Such persons will receive no compensation for their services other than their regular salaries. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the shares held of record by such persons, and we may reimburse such persons for reasonable out of pocket expenses incurred by them in forwarding solicitation materials. We have retained Kingsdale Advisors as our strategic stockholder advisor and proxy solicitation agent in connection with the solicitation of proxies for the Annual Meeting. If you have any questions or require any assistance with completing your proxy, please contact Kingsdale Advisors by telephone (toll-free within North America) at 1-866-229-8874 or (call collect outside North America) at (416) 867-2272 or by email at [contactus@kingsdaleadvisors.com](mailto:contactus@kingsdaleadvisors.com).

## Do I Have Dissenters’ Rights of Appraisal?

Stockholders do not have appraisal rights under Delaware law or under Guardion’s governing documents with respect to the matters to be voted upon at the Annual Meeting.

**How can I Find out the Results of the Voting at the Annual Meeting?**

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be disclosed in a Current Report on Form 8-K that we expect to file with the SEC within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K with the SEC within four business days after the Annual Meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an amended Form 8-K to publish the final results.

**PROPOSAL 1:**  
**ELECTION OF DIRECTORS**

**Board Size and Structure**

Our certificate of incorporation, as amended, and our second amended and restated bylaws provide that our business is to be managed under the direction of our board of directors. Our board of directors is required to consist of not less than three (3) or more than seven (7) directors. As a result of the resignation of Michael Favish in June, 2020, the number of directors was fixed at five (5) by resolution of the board of directors.

Our board of directors currently consists of five (5) directors. Our certificate of incorporation provides that the number of directors on our board of directors shall be fixed exclusively by resolution adopted by our board of directors or by our stockholders. At each annual meeting, directors shall be elected by the stockholders for a term of one (1) year. Each director shall serve until his or her successor is duly elected and qualified or until the director's earlier death, resignation or removal.

When considering whether directors have the experience, qualifications, attributes or skills, taken as a whole, to enable our board of directors to satisfy its oversight responsibilities effectively in light of our business and structure, the board of directors focuses primarily on each person's background and experience as reflected in the information discussed in each of the directors' individual biographies set forth below. We believe that our directors provide an appropriate mix of experience and skills relevant to the size and nature of our business.

Pursuant to Delaware law and our second amended and restated bylaws, directors may be removed, with or without cause, by the affirmative vote of the holders of a majority of the shares then entitled to vote at an election of directors.

**Nominees for Election**

Robert N. Weingarten, Mark Goldstone, David W. Evans, Ph.D., Donald A. Gagliano, M.D., and Kelly Anderson have been nominated by the board of directors to stand for election at the Annual Meeting. If elected by the stockholders at the Annual Meeting, Messrs. Weingarten, Goldstone, Evans, Gagliano and Ms. Anderson will serve for a term expiring at the annual meeting to be held in 2021 (the "2021 Annual Meeting") and the election and qualification of their successors or until their earlier death, resignation or removal.

Each person nominated for election has agreed to serve if elected, and management has no reason to believe that any nominee will be unable to serve. If, however, prior to the Annual Meeting, the board of directors should learn that any nominee will be unable to serve for any reason, the proxies that otherwise would have been voted for this nominee will be voted for a substitute nominee as selected by the board of directors. Alternatively, the proxies, at the board of directors' discretion, may be voted for that fewer number of nominees as results from the inability of any nominee to serve. The board of directors has no reason to believe that any nominee will be unable to serve.

**Information About Board Nominees**

The following pages contain certain biographical information for the nominees for director, including all positions currently held, their principal occupation and business experience for the past five years, and the names of other publicly-held companies of which such nominee currently serves as a director or has served as a director during the past five years.

**Robert N. Weingarten**, 68, has been a Director of the Company since June 2015 and Chairman of the board of directors since July 2020. Previously, Mr. Weingarten served as Lead Director on our board of directors from January 2017 to March 2020. He is an experienced business consultant and advisor with an ongoing consulting practice. From July 2017 to June 2018, Mr. Weingarten was the Chief Financial Officer of Alltemp, Inc. From April 2013 to February 2017, Mr. Weingarten served on the board of directors of RespireRx Pharmaceuticals Inc. (OTCQB: RSPI) and also served as Vice President and Chief Financial Officer. Mr. Weingarten received a B.A. in Accounting from the University of Washington in 1974, a M.B.A. in Finance from the University of Southern California in 1975, and is a Certified Public Accountant (inactive) in the State of California. Mr. Weingarten has considerable accounting and finance experience, particularly with regard to public reporting requirements. The Company believes that Mr. Weingarten's accounting and finance experience qualifies him to serve on the board of directors.

## **Information Concerning the Board and Corporate Governance**

### *Board Leadership Structure*

Robert N. Weingarten has served as the Chairman of the board of directors since July 2020 after having served as Lead Director from June 2017 through March 31, 2020. Dr. David Evans serves as our Interim Chief Executive Officer and President. We believe that this structure is the most effective structure for us and our stockholders at this time because the Chairman (i) can provide the Interim Chief Executive Officer with guidance and feedback on his performance, (ii) provides a more effective channel for the board of directors to express its views on management and (iii) allows the Chairman to focus on stockholder interests and corporate governance while providing our Interim Chief Executive Officer with the ability to focus his attention on managing our day-to-day operations. As Mr. Weingarten has experience with advising boards of directors and senior management with respect to management and other business aspects, he is particularly well-suited to serve as Chairman.

We recognize that different board leadership structures may be appropriate for companies in different situations. We will continue to re-examine our corporate governance policies and leadership structures on an ongoing basis to ensure that they continue to meet the Company's needs.

### *Role in Risk Oversight*

Management is responsible for managing the risks that we face. The board of directors is responsible for overseeing management's approach to risk management that is designed to support the achievement of organizational objectives, including strategic objectives, to improve long-term organizational performance and enhance stockholder value. The involvement of the full board of directors in reviewing our strategic objectives and plans is a key part of the board of directors' assessment of management's approach and tolerance to risk. A fundamental part of risk management is not only understanding the risks a company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for us. In setting our business strategy, our board of directors assesses the various risks being mitigated by management and determines what constitutes an appropriate level of risk for us.

### *Stockholder Communications to the Board of Directors*

Stockholders wishing to submit written communications directly to the board of directors should send their communications to Secretary, Guardion Health Sciences, Inc., 15150 Avenue of Science, Suite 200, San Diego, California 92128. All stockholder communications will be considered by the independent members of our board of directors. Items that are unrelated to the duties and responsibilities of the board of directors may be excluded, such as:

- junk mail and mass mailings;
- resumes and other forms of job inquiries;
- surveys; and
- solicitations or advertisements.

In addition, any material that is unduly hostile, threatening, or illegal in nature may be excluded, provided that any communication that is filtered out will be made available to any independent director upon request.

### *Director or Officer Involvement in Certain Legal Proceedings*

The Company's directors and executive officers were not involved in any legal proceedings described in Item 401 (f) of Regulation S-K in the past ten years.

### *Directors and Officers Liability Insurance*

The Company has directors' and officers' liability insurance insuring its directors and officers against liability for acts or omissions in their capacities as directors or officers, subject to certain exclusions. Such insurance also insures the Company against losses, which it may incur in indemnifying its officers and directors. In addition, officers and directors also have indemnification rights under applicable laws, and the Company's certificate of incorporation, as amended, and the Company's second amended and restated bylaws.

### *Director Independence*

The listing rules of Nasdaq Capital Market require that independent directors must comprise a majority of a listed company's board of directors. In addition, the rules of the Nasdaq Capital Market require that, subject to specified exceptions, each member of a listed company's audit, compensation, and nominating and governance committees be independent. Audit committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Under the rules of the Nasdaq Capital Market, a director will only qualify as an "independent director" if, in the opinion of that company's board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

The Company's board of directors has undertaken a review of the independence of the Company's directors and director nominees and considered whether any director has a material relationship with it that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. Based upon information requested from and provided by each director concerning his background, employment and affiliations, including family relationships, the board of directors has determined that each of Messrs. Weingarten, Goldstone and Gagliano and Ms. Anderson, representing four (4) of the Company's five (5) directors, are "independent" as that term is defined under the applicable rules and regulations of the SEC and the listing standards of the Nasdaq Capital Market. In making these determinations, the board of directors considered the current and prior relationships that each non-employee director has with the Company and all other facts and circumstances the board of directors deemed relevant in determining their independence, including the beneficial ownership of the Company's capital stock by each non-employee director, and any transactions involving them described in the section captioned "—Certain Relationships and Related Transactions and Director Independence."

### PROPOSAL 3:

#### APPROVAL OF AN INCREASE TO THE NUMBER OF AUTHORIZED SHARES ISSUABLE UNDER THE 2018 EQUITY INCENTIVE PLAN

The Board adopted the 2018 Equity Incentive Plan (the “2018 Plan”) in October 2018 and the 2018 Plan was approved by our stockholders in November 2018. The Board initially authorized the issuance of up to 6,000,000 shares of common stock under the 2018 Plan. On January 30, 2019, the Company filed a certificate of amendment to its certificate of incorporation, as amended, with the Secretary of State of the State of Delaware to effectuate a one-for-two (1:2) reverse stock split (the “Prior Reverse Stock Split”). Following the Reverse Stock Split, up to 3,000,000 shares of common stock are authorized for issuance under the 2018 Plan.

As of August 19, 2020, excluding the requested share increase, there were 443,333 shares of common stock available for issuance under the 2018 Plan.

#### Reasons for the Proposed Amendment

##### *Executive Compensation is an Important Part of Our Compensation Program*

The Compensation Committee established long-term equity-based compensation as an important element of our compensation program. The Compensation Committee emphasizes long-term equity-based compensation in order to (i) align participants’ interests with the interests of the Company’s stockholders in the long-term success of the Company; (ii) provide management with an equity ownership in the Company tied to Company performance; (iii) attract, motivate and retain key employees and non-employee directors; and (iv) provide incentive to management for continuous employment with the Company. The 2018 Plan is designed to advance these interests of the Company and its stockholders. Equity-based compensation under the 2018 Plan encourages executives to act as owners with an equity stake in the Company, discourages inappropriate risk-taking and contributes to the continuity and stability within the Company’s leadership.

The purpose of this requested increase in the number of authorized shares under the 2018 Plan is to continue to be able to attract, retain and motivate executive officers and other employees, non-employee directors and certain consultants. Upon stockholder approval of the amendment, additional shares of common stock will be reserved for issuance under the 2018 Plan, which will enable us to continue to grant equity awards to our officers, employees, consultants and non-employee directors at levels determined by the Board to be necessary to attract, retain and motivate the individuals who will be critical to our success in achieving its business objectives and thereby creating greater value for all our stockholders.

As described above, we are seeking stockholder approval of an amendment to increase the number of shares issuable under the 2018 Plan by 7,000,000 shares. We believe that equity awards have been critical in attracting and retaining talented employees and officers, aligning their interests with those of stockholders, and focusing key employees on our long-term growth. We anticipate that option grants and other forms of equity awards such as restricted stock awards may become an increasing component in similarly motivating our consultants. In order to attract and retain qualified employees, we have had to grant stock options in excess of our historical equity burn rate.

In determining the amount of the increase contemplated by the proposed amendment to the 2018 Plan, the Board has taken into consideration the fact that, excluding the requested share increase, as of July 31, 2020, there were approximately 108,142,800 shares of our common stock outstanding on a fully-diluted basis, and the Board believes that this fully-diluted number, rather than the number of outstanding shares of the Company, is the relevant number in determining the appropriate number of shares available under the 2018 Plan. Additionally, the Company believes the increase is appropriate following the Prior Reverse Stock Split. When approved by our stockholders in November 2018, the 6,000,000 shares initially authorized for issuance under the Plan represented approximately 14.9% of our common stock as calculated on a fully-diluted basis, and, assuming the approval of this increase, the total number of shares of our common stock available for issuance under the 2018 Plan will be, which will represent approximately 6.9% of our common stock as calculated on a fully-diluted basis.

Approval of the amendment to the 2018 Plan will permit us to continue to use stock-based compensation to align stockholder and employee interests and to motivate employees and others providing services to us or any subsidiary.

##### *We Manage Our Equity Incentive Award Use Carefully and Dilution Is Reasonable*

The Compensation Committee carefully monitors our total dilution and equity expense to ensure that we maximize stockholder value by granting only the appropriate number of equity awards necessary to attract, retain and motivate employees.

- Based on historical usage and our internal growth plans, we expect that the proposed increase of shares to be reserved for issuance under the 2018 Plan to 10,000,000 shares would be sufficient for grants of awards until approximately 2025, assuming we continue to grant awards consistent with our historical usage and current practices, as reflected in our recent historical burn rate discussed below, and noting that future circumstances may require us to change our current equity grant practices. If the adoption of the amendment to increase the number of shares reserved for issuance under the 2018 Plan is approved, the share reserve under the 2018 Plan could last for a longer or shorter period of time, depending on our future equity grant practices, which we cannot predict with any degree of certainty at this time.

The following table shows certain key equity metrics over the past two fiscal years:

<b>Key Equity Metrics</b>	<b>2019</b>	<b>2018</b>
Equity burn rate(1)	4.4%	--%
Overhang(2)	4.0%	14.6%

- (1) Equity burn rate is calculated by dividing the number of shares subject to equity awards granted during the fiscal year by the weighted-average number of shares outstanding during the period.
  - (2) Overhang is calculated by dividing the sum of (x) the number of shares subject to equity awards outstanding at the end of the fiscal year and (y) the number of shares available for future grants, by the number of shares outstanding at the end of the fiscal year.
- If the adoption of the amendment to increase the number of shares reserved for issuance under the 2018 Plan is approved, the issuance of the shares to be reserved under the 2018 Plan would dilute existing stockholders by an additional 6.5% on a fully diluted basis, based on the number of shares of our common stock outstanding as of July 31, 2020.
  - As described in the table above, the total aggregate equity value of the shares being requested for the increase in authorized shares under the 2018 Plan, based on the closing price of our common stock on July 31, 2020, is \$2,961,000.

In light of the factors described above, and the fact that the ability to continue to grant equity compensation is vital to our ability to continue to attract and retain employees in the competitive labor markets in which we compete, the Board has determined that the proposed adoption of the increase in the number of shares authorized for issuance under the 2018 Plan is reasonable and appropriate at this time. The Board will not create a subcommittee to evaluate the risks and benefits for issuing the shares under the 2018 Plan.

#### *The 2018 Plan Reflects Compensation and Governance Best Practices*

- Shareholder approval is required for additional shares. The 2018 Plan does not contain an annual “evergreen” provision, pursuant to which the share pool would be automatically increased each year based on a specified formula.
- No liberal share recycling. Shares retained by or delivered to the Company to pay the exercise price of stock options or stock appreciation rights or to satisfy withholding for taxes in connection with the exercise or settlement of an award will not be added back to the pool of available shares under the 2018 Plan and will not be available for future awards.
- Repricing is not allowed. The 2018 Plan expressly prohibits the Company from repricing stock options without first obtaining stockholder approval.
- No discount stock options. All stock options will have an exercise price equal to or greater than the fair market value of our Common Stock on the date the stock option or stock appreciation right is granted.
- No Reload Options. The 2018 Plan does not provide for reload options.
- Fair Market Value. The fair market value of a share of Common Stock will equal the closing price of a share of common stock on the date of calculation (or the last preceding date if the common stock was not traded on such date).
- Awards Subject to a Clawback Policy. Awards under the 2018 Plan will be subject to any compensation recoupment policy that the Company may adopt from time to time.

#### **Description of Our 2018 Equity Incentive Plan**

The following is a summary of the current material features of the 2018 Plan. This summary is qualified in its entirety by the full text of the 2018 Plan, a copy of which is attached to this Proxy Statement as [Appendix A](#).

*Shares Available; Certain Limitations.* The maximum number of shares of Common Stock reserved and available for issuance under the 2018 Plan will be equal to 3,000,000. New shares reserved for issuance under the 2018 Plan may be authorized but unissued shares or shares that will have been or may be reacquired by the Company in the open market, in private transactions or otherwise. If any shares subject to an award are forfeited, cancelled, exchanged or surrendered or if an award terminates or expires without a distribution of shares to the participant, the shares of Common Stock with respect to such award will, to the extent of any such forfeiture, cancellation, exchange, surrender, withholding, termination or expiration, again be available for awards under the Plan except that any shares of Common Stock surrendered or withheld as payment of either the exercise price of an award and/or withholding taxes in respect of an award will not again be available for awards under the 2018 Plan.

*Types of Awards.* The 2018 Plan provides for the issuance of options, share appreciation rights (“SARs”), restricted shares, restricted stock units (“RSUs”), other share-based awards and cash awards to our officers, employees, directors, independent contractors and consultants.

Shares of Common Stock subject to an award under the 2018 Plan that remain unissued upon the cancellation or termination of the award will again become available for grant under the 2018 Plan. However, shares of Common Stock that are surrendered by a participant or withheld as payment of the exercise price in connection with any award under the 2018 Plan, as well as any shares of Common Stock exchanged by a participant or withheld to satisfy tax withholding obligations related to any award, will not be available for subsequent awards under the 2018 Plan. If an award is denominated in shares, but settled in cash, the number of shares of Common Stock previously subject to the award will again be available for grants under the 2018 Plan. If an award can only be settled in cash, it will not be counted against the total number of shares of Common Stock available for grant under the 2018 Plan. However, upon the exercise of any award granted in tandem with any other awards, such related awards will be cancelled as to the number of shares as to which the award is exercised and such number of shares will no longer be available for grant under the 2018 Plan.

*Administration.* The 2018 Plan will be administered by our board of directors, or if our board of directors does not administer the 2018 Plan, a committee of our board of directors that complies with the applicable requirements of Section 16 of the Exchange Act and any other applicable legal or stock exchange listing requirements (each of our board of directors or such committee, the “plan administrator”). The plan administrator may interpret the 2018 Plan and may prescribe, amend and rescind rules and make all other determinations necessary or desirable for the administration of the 2018 Plan, provided that, subject to the equitable adjustment provisions described below, the plan administrator will not have the authority to reprice or cancel and re-grant any award at a lower exercise, base or purchase price or cancel any award with an exercise, base or purchase price in exchange for cash, property or other awards without first obtaining the approval of our stockholders.

The 2018 Plan permits the plan administrator to select the eligible recipients who will receive awards, to determine the terms and conditions of those awards, including but not limited to the exercise price or other purchase price of an award, the number of shares of Common Stock or cash or other property subject to an award, the term of an award and the vesting schedule applicable to an award, and to amend the terms and conditions of outstanding awards.

*Restricted Shares and RSUs.* Restricted shares and RSUs may be granted under the 2018 Plan. The plan administrator will determine the purchase price, vesting schedule and performance goals, if any, applicable to the grant of restricted shares. Unless otherwise determined by the plan administrator, if the restrictions, performance goals or other conditions determined by the plan administrator are not satisfied, the restricted shares and RSUs will be forfeited. Subject to the provisions of the 2018 Plan and the applicable individual award agreement, the plan administrator has the sole discretion to provide for the lapse of restrictions in installments or the acceleration or waiver of restrictions (in whole or part) under certain circumstances, including the attainment of certain performance goals, a participant’s termination of employment or service or a participant’s death or disability. The rights of restricted share and RSU holders upon a termination of employment or service will be set forth in individual award agreements.

Unless the applicable award agreement provides otherwise, participants with restricted shares will generally have all of the rights of a stockholder during the restricted period, including the right to receive dividends declared with respect to such shares; provided, however, that dividends declared during the restricted period with respect to an award will only become payable if (and to the extent) that the underlying restricted shares vest. During the restricted period, participants with RSUs will generally not have any rights of a stockholder, but will be credited with dividend equivalent rights, unless the applicable individual award agreement provides otherwise.

*Options.* We may issue non-qualified stock options and “incentive stock options” (“ISOs”) (within the meaning of Section 422 of the Code) under the 2018 Plan. The terms and conditions of any options granted to a participant will be set forth in an award agreement and, subject to the provisions in the 2018 Plan, will be determined by the plan administrator. The exercise price of any option granted under our 2018 Plan must be at least equal to the fair market value of our Common Stock on the date the option is granted (110% of fair market value in the case of ISOs granted to ten percent stockholders). The maximum term of an option granted under our 2018 Plan is ten years. The amount of incentive stock options that become exercisable for the first time in a particular year cannot exceed a value of \$100,000 per participant, determined using the fair market value of the shares on the date of grant.

Subject to our 2018 Plan, the plan administrator will determine the vesting and other terms and conditions of options granted under our 2018 Plan and the plan administrator will have the authority to accelerate the vesting of any option in its sole discretion. Treatment of an option upon termination of employment of a participant will be provided for by the plan administrator in the applicable award agreement.

*Share Appreciation Rights.* SARs may be granted under the 2018 Plan either alone or in conjunction with all or part of any option granted under the 2018 Plan. A free-standing SAR granted under the 2018 Plan entitles its holder to receive, at the time of exercise, an amount per share up to the excess of the fair market value (at the date of exercise) of a share of Common Stock over the exercise price of the free-standing SAR multiplied by the number of shares in respect of which the SAR is being exercised. An SAR granted in conjunction with all or part of an option under the 2018 Plan entitles its holder to receive, at the time of exercise of the SAR and surrender of the related option, an amount per share up to the excess of the fair market value (at the date of exercise) of a share of Common Stock over the exercise price of the related option multiplied by the number of shares in respect of which the SAR is being exercised. Each SAR will be granted with an exercise price that is not less than 100% of the fair market value of the related shares of Common Stock on the date of grant. Treatment of a SAR upon termination of employment of a participant will be provided for by the plan administrator in the applicable award agreement. The maximum term of all SARs granted under the 2018 Plan will be determined by the plan administrator, but may not exceed ten years. The plan administrator may determine to settle the exercise of an SAR in shares of Common Stock, cash, or any combination thereof.

Each free-standing SAR will vest and become exercisable (including in the event of the SAR holder's termination of employment or service) at such time and subject to such terms and conditions as determined by the plan administrator in the applicable individual free-standing SAR agreement. SARs granted in conjunction with all or part of an option will be exercisable at such times and subject to all of the terms and conditions applicable to the related option.

*Other Share-Based Awards.* Other share-based awards, valued in whole or in part by reference to, or otherwise based on, shares of Common Stock (including dividend equivalents) may be granted under the 2018 Plan. The plan administrator will determine the terms and conditions of such other share-based awards, including the number of shares of Common Stock to be granted pursuant to such other share-based awards, the manner in which such other share-based awards will be settled (e.g., in shares of Common Stock, cash or other property), and the conditions to the vesting and payment of such other share-based awards (including the achievement of performance goals). The rights of participants granted other share-based awards upon the termination of employment with or service to us will be set forth in the award agreement. Any dividend or dividend-equivalent award issued under the 2018 Plan will be subject to the same restrictions and conditions as apply to the underlying award.

*Cash Awards.* Bonuses that are payable solely in cash may also be granted under the 2018 Plan, and may be granted contingent upon the achievement of performance goals. The rights of participants granted cash awards upon the termination of employment with or service to us will be set forth in the applicable award agreement.

*Equitable Adjustments.* In the event of a merger, amalgamation, consolidation, reclassification, recapitalization, spin-off, spin-out, repurchase, reorganization, special or extraordinary dividend or other extraordinary distribution (whether in the form of common shares, cash or other property), combination, exchange of shares, or other change in corporate structure affecting our Common Stock, an equitable substitution or proportionate adjustment shall be made in (i) the aggregate number and kind of securities reserved for issuance under the 2018 Plan, (ii) the kind and number of securities subject to, and the exercise price of, any outstanding options and SARs granted under the 2018 Plan, (iii) the kind, number and purchase price of shares of Common Stock, or the amount of cash or amount or type of property, subject to outstanding restricted shares, RSUs and other share-based awards granted under the 2018 Plan and (iv) the terms and conditions of any outstanding awards (including any applicable performance targets). Equitable substitutions or adjustments other than those listed above may also be made as determined by the plan administrator. In addition, the plan administrator may terminate all outstanding awards for the payment of cash or in-kind consideration having an aggregate fair market value equal to the excess of the fair market value of the shares of Common Stock, cash or other property covered by such awards over the aggregate exercise price, if any, of such awards, but if the exercise price of any outstanding award is equal to or greater than the fair market value of the shares of Common Stock, cash or other property covered by such award, our board of directors may cancel the award without the payment of any consideration to the participant. With respect to awards subject to foreign laws, adjustments will be made in compliance with applicable requirements. Except to the extent determined by the plan administrator, adjustments to incentive stock options will be made only to the extent not constituting a "modification" within the meaning of Section 424(h)(3) of the Code.

*Change in Control and Qualifying Termination.* Unless otherwise determined by the plan administrator and evidenced in an award agreement, in the event that (i) a “change in control” (as defined below) occurs and (ii) a participant’s employment or service is terminated by us or any of our successors or affiliates without cause or by the participant for good reason (if applicable) within 12 months following the change in control, then (a) any unvested or unexercisable portion of any award carrying a right to exercise will become fully vested and exercisable, and (b) the restrictions, deferral limitations, payment conditions and forfeiture conditions applicable to any award will lapse and such unvested awards will be deemed fully vested and any performance conditions imposed with respect to such awards will be deemed to be fully achieved at target performance levels. The Administrator may pursuant to its authority under the 2018 Plan, accelerate the vesting of the Options and SARs.

*Definition of Change in Control.* For purposes of the 2018 Plan, a “change in control” will mean, in summary, the first to occur of the following events: (i) a person or entity becomes the beneficial owner of more than 50% of our voting power; (ii) an unapproved change in the majority membership of our board of directors; (iii) a merger or consolidation of us or any of our subsidiaries, other than (A) a merger or consolidation that results in our voting securities continuing to represent 50% or more of the combined voting power of the surviving entity or its parent and our board of directors immediately prior to the merger or consolidation continuing to represent at least a majority of the board of directors of the surviving entity or its parent or (B) a merger or consolidation effected to implement a recapitalization in which no person is or becomes the owner of our voting securities representing more than 50% of our combined voting power; or (iv) stockholder approval of a plan of complete liquidation or dissolution of us or the consummation of an agreement for the sale or disposition of substantially all of our assets, other than a sale or disposition to an entity, more than 50% of the combined voting power of which is owned by our stockholders in substantially the same proportions as their ownership of us immediately prior to such sale or a sale or disposition to an entity controlled by our board of directors. However, a change in control will not be deemed to have occurred as a result of any transaction or series of integrated transactions following which our stockholders, immediately prior thereto, hold immediately afterward the same proportionate equity interests in the entity that owns all or substantially all of our assets.

*Tax Withholding.* Each participant will be required to make arrangements satisfactory to the plan administrator regarding payment of taxes up to the maximum statutory tax rates in the participant’s applicable jurisdiction with respect to any award granted under the 2018 Plan, as determined by the Company. We have the right, to the extent permitted by applicable law, to deduct any such taxes from any payment of any kind otherwise due to the participant. With the approval of the plan administrator, the participant may satisfy the foregoing requirement by either electing to have us withhold from delivery of shares of Common Stock, cash or other property, as applicable, or by delivering already owned unrestricted shares of Common Stock, in each case, having a value not exceeding the applicable taxes to be withheld and applied to the tax obligations. We may also use any other method of obtaining the necessary payment or proceeds, as permitted by applicable law, to satisfy our withholding obligation with respect to any award.

*Amendment and Termination of the 2018 Plan.* The 2018 Plan provides our board of directors with authority to amend, alter or terminate the 2018 Plan, but no such action may impair the rights of any participant with respect to outstanding awards without the participant’s consent. The plan administrator may amend an award, prospectively or retroactively, but no such amendment may materially impair the rights of any participant without the participant’s consent. Stockholder approval of any such action will be obtained if required to comply with applicable law.

*2018 Plan Term.* The 2018 Plan will terminate on the tenth anniversary of the Effective Date (although awards granted before that time will remain outstanding in accordance with their terms).

*Clawback.* If the Company is required to prepare a financial restatement due to the material non-compliance with any financial reporting requirement, then the plan administrator may require any Section 16 officer to repay or forfeit to the Company that part of the cash or equity incentive compensation received by that Section 16 officer during the preceding three years that the plan administrator determines was in excess of the amount that such Section 16 officer would have received had such cash or equity incentive compensation been calculated based on the financial results reported in the restated financial statement. The plan administrator may take into account any factors it deems reasonable in determining whether to seek recoupment of previously paid cash or equity incentive compensation and how much of such compensation to recoup from each Section 16 officer (which need not be the same amount or proportion for each Section 16 officer).

*Indemnification.* To the extent allowable pursuant to applicable law, each member of our board of directors and the plan administrator and any officer or other employee to whom authority to administer any component of the 2018 Plan is delegated shall be indemnified and held harmless by the Company from any loss or expense that may be reasonably incurred by such member in connection with any claim, action or proceeding in which he or she may be involved by reason of any action or failure to act pursuant to the 2018 Plan and against all amounts paid by him or her in satisfaction of judgment in such claim, action or proceeding against him or her, provided, however, that he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf.

### **United States Federal Income Tax Consequences**

The following is a summary of certain United States federal income tax consequences of awards under the 2018 Plan. It does not purport to be a complete description of all applicable rules, and those rules (including those summarized here) are subject to change.

*Non-Qualified Stock Options.* A participant who has been granted a non-qualified stock option will not recognize taxable income upon the grant of a non-qualified stock option. Rather, at the time of exercise of such non-qualified stock option, the participant will recognize ordinary income for income tax purposes in an amount equal to the excess of the fair market value of the shares purchased over the exercise price paid at the time of exercise. We generally will be entitled to a tax deduction at such time and in the same amount that the participant recognizes ordinary income. If shares acquired upon exercise of a non-qualified stock option are later sold or exchanged, then the difference between the amount received upon such sale or exchange and the fair market value of such shares on the date of such exercise will generally be taxable as long-term or short-term capital gain or loss (if the shares are a capital asset of the participant) depending upon the length of time such shares were held by the participant.

*Incentive Stock Options.* In general, no taxable income is realized by a participant upon the grant of an ISO. If shares of Common Stock are purchased by a participant, or option shares, pursuant to the exercise of an ISO granted under the 2018 Plan and the participant does not dispose of the option shares within the two-year period after the date of grant or within one year after the receipt of such option shares by the participant, such disposition a disqualifying disposition, then, generally (1) the participant will not realize ordinary income upon exercise and (2) upon sale of such option shares, any amount realized in excess of the exercise price paid for the option shares will be taxed to such participant as capital gain (or loss). The amount by which the fair market value of the Common Stock on the exercise date of an ISO exceeds the purchase price generally will constitute an item which increases the participant's "alternative minimum taxable income." If option shares acquired upon the exercise of an ISO are disposed of in a disqualifying disposition, the participant generally would include in ordinary income in the year of disposition an amount equal to the excess of the fair market value of the option shares at the time of exercise (or, if less, the amount realized on the disposition of the option shares), over the exercise price paid for the option shares. Subject to certain exceptions, an option generally will not be treated as an ISO if it is exercised more than three months following termination of employment. If an ISO is exercised at a time when it no longer qualifies as an ISO, such option will be treated as a nonqualified stock option as discussed above. In general, we will receive an income tax deduction at the same time and in the same amount as the participant recognizes ordinary income.

*Stock Appreciation Rights.* A participant who is granted an SAR generally will not recognize ordinary income upon receipt of the SAR. Rather, at the time of exercise of such SAR, the participant will recognize ordinary income for income tax purposes in an amount equal to the value of any cash received and the fair market value on the date of exercise of any shares received. We generally will be entitled to a tax deduction at such time and in the same amount, if any, that the participant recognizes as ordinary income. The participant's tax basis in any common shares received upon exercise of an SAR will be the fair market value of the shares of Common Stock on the date of exercise, and if the shares are later sold or exchanged, then the difference between the amount received upon such sale or exchange and the fair market value of such shares on the date of exercise will generally be taxable as long-term or short-term capital gain or loss (if the shares are a capital asset of the participant) depending upon the length of time such shares were held by the participant.

*Restricted Stock.* A participant generally will not be taxed upon the grant of restricted shares, but rather will recognize ordinary income in an amount equal to the fair market value of the shares at the earlier of the time the shares become transferable or are no longer subject to a substantial risk of forfeiture (within the meaning of the Code). We generally will be entitled to a deduction at the time when, and in the amount that, the participant recognizes ordinary income on account of the lapse of the restrictions. A participant's tax basis in the shares will equal their fair market value at the time the restrictions lapse, and the participant's holding period for capital gains purposes will begin at that time. Any cash dividends paid on the shares before the restrictions lapse will be taxable to the participant as additional compensation and not as dividend income, unless the individual has made an election under Section 83(b) of the Code. Under Section 83 (b) of the Code, a participant may elect to recognize ordinary income at the time the restricted shares are awarded in an amount equal to their fair market value at that time, notwithstanding the fact that such shares are subject to restrictions or transfer and a substantial risk of forfeiture. If such an election is made, no additional taxable income will be recognized by such participant at the time the restrictions lapse, the participant will have a tax basis in the shares equal to their fair market value on the date of their award, and the participant's holding period for capital gains purposes will begin at that time. We generally will be entitled to a tax deduction at the time when, and to the extent that, ordinary income is recognized by such participant.

*RSUs.* In general, the grant of RSUs will not result in income for the participant or in a tax deduction for us. Upon the settlement of such an award in cash or shares, the participant will recognize ordinary income equal to the aggregate fair market value of the payment received, and we generally will be entitled to a tax deduction at the same time and in the same amount.

*Other Awards.* With respect to other awards granted under the 2018 Plan, including other share-based award and cash awards, generally when the participant receives payment with respect to an award, the amount of cash and/or the fair market value of any common shares or other property received will be ordinary income to the participant, and we generally will be entitled to a tax deduction at the same time and in the same amount.

#### **Interests of Officers and Directors in this Proposal**

Members of our board of directors and the executive officers are eligible to receive awards under the terms of the 2018 Plan, and they therefore have a substantial interest in Proposal 3.

#### **Required Vote of Stockholders**

The affirmative vote of a majority of the votes cast at the Annual Meeting is required to approve the increase in the number of shares available under the 2018 Plan to 10,000,000 shares.

#### **Board Recommendation**

The board of directors unanimously recommends a vote "**FOR**" Proposal 3.

## PROPOSAL 4:

### REVERSE STOCK SPLIT EXTENSION

#### Background and Introduction

In connection with our 2019 Annual Meeting, our Board of Directors approved and recommended to our stockholders a proposal to authorize the board of directors to be granted sole discretion to effect a Reverse Stock Split, if at all, within one (1) year of the date the proposal is approved by stockholders and to fix the specific ratio for the combination within a range of no split to a maximum of a one-for-thirty (1-for-30) split. Our stockholders approved such proposal on December 5, 2019, and accordingly, the Board currently has the authority to implement the Reverse Stock Split at any time through December 5, 2020 (the “Existing Approval”).

The Existing Approval will expire on December 5, 2020, the first anniversary of our 2019 Annual Meeting. Our Board is now seeking an extension of the time period during which it shall have authority to effect the Reverse Stock Split without affecting, in any way, the Existing Approval. The proposal now being submitted to our stockholders provides that our Board would have the sole discretion to effect the Reverse Stock Split, if at all, within one (1) year of the date the proposal is approved by stockholders (or until September 29, 2021, assuming the Annual Meeting is not adjourned) and to fix the specific ratio for the combination within a range of no split to a maximum of a one-for-thirty (1-for-30) split. The board of directors has the discretion to abandon the amendment and not implement the Reverse Stock Split.

If approved by our stockholders, this proposal would permit (but not require) the board of directors to effect a Reverse Stock Split of the outstanding shares of our common stock within one (1) year of the date the proposal is approved by stockholders, at a specific ratio within a range of no split to a maximum of a one-for-thirty (1-for-30) split, with the specific ratio to be fixed within this range by the board of directors in its sole discretion without further stockholder approval. We believe that enabling the board of directors to fix the specific ratio of the Reverse Stock Split within the stated range will provide us with the flexibility to implement it in a manner designed to maximize the anticipated benefits for our stockholders.

**If this Proposal is not approved, there will be no effect on the Existing Approval, meaning that our Board will continue to have the authority to implement the Reverse Stock Split through December 5, 2020. If this Proposal is approved, however, our Board will be granted additional time to implement the Reverse Stock Split, if so desired.**

In fixing the ratio, the board of directors may consider, among other things, factors such as: the initial and continued listing requirements of the Nasdaq Capital Market; the number of shares of our common stock outstanding; potential financing opportunities; and prevailing general market and economic conditions.

The Reverse Stock Split, if approved by our stockholders, would become effective upon the filing of the amendment to our certificate of incorporation with the Secretary of State of the State of Delaware, or at the later time set forth in the amendment. The exact timing of the amendment will be determined by the board of directors based on its evaluation as to when such action will be the most advantageous to our Company and our stockholders. In addition, the board of directors reserves the right, notwithstanding stockholder approval and without further action by the stockholders, to abandon the amendment and the Reverse Stock Split if, at any time prior to the effectiveness of the filing of the amendment with the Secretary of State of the State of Delaware, the board of directors, in its sole discretion, determines that it is no longer in our best interest and the best interests of our stockholders to proceed.

The proposed form of amendment to our certificate of incorporation to effect the Reverse Stock Split is attached as Appendix B to this Proxy Statement. Any amendment to our certificate of incorporation to effect the Reverse Stock Split will include the Reverse Stock Split ratio fixed by the board of directors, within the range approved by our stockholders.

#### Reasons for the Reverse Stock Split

The Company’s primary reasons for approving and recommending the Reverse Stock Split are to make our common stock more attractive to certain institutional investors, which would provide for a stronger investor base and to increase the per share price and bid price of our common stock to regain compliance with the continued listing requirements of Nasdaq.

On September 20, 2019, we received a written notice (the “Notice”) from the Nasdaq Stock Market LLC (“Nasdaq”) that we were not in compliance with Nasdaq Listing Rule 5550(a)(2), (the “Rule”) as the minimum bid price of our common stock had been below \$1.00 per share for 30 consecutive business days. The notice provided an initial compliance period of 180 calendar days, or until March 18, 2020, to regain compliance with the minimum bid price requirement. On March 19, 2020, the Company received a written notification from Nasdaq that the Company has been granted an additional 180 calendar days, or until September 14, 2020, to regain compliance with the minimum bid price requirement. On April 21, 2020, Nasdaq informed the Company that given the extraordinary market conditions due to the COVID-19 pandemic, Nasdaq has determined to toll the compliance periods for the minimum bid price and market value of publicly held shares requirements (collectively, the “Price-based Requirements”) through June 30, 2020. The Company had previously been granted until September 14, 2020, to regain compliance with the minimum bid price requirement. Accordingly, since the Company had 152 calendar days remaining in its minimum bid price compliance period as of April 16, 2020, it will, upon reinstatement of the Price-based Requirements, still have 152 calendar days from July 1, 2020, or until November 30, 2020, to regain compliance. We will monitor the closing bid price of our common stock and will consider all of our options to regain compliance with Nasdaq’s minimum bid price requirement. There can be no assurance that the Company will regain compliance with the minimum bid price requirement or maintain compliance with any of the other Nasdaq continued listing requirements.

The Company is in part asking for the extension of the Existing Approval so that in the event that there is a further tolling period on the Price-based Requirements due to COVID-19 or otherwise, the Company has extra time and extra flexibility to implement the Reverse Stock Split, and to avoid having to prematurely effect the Reverse Stock Split.

Reducing the number of outstanding shares of common stock should, absent other factors, generally increase the per share market price of the common stock. Although the intent of the Reverse Stock Split is to increase the price of the common stock, there can be no assurance, however, that even if the Reverse Stock Split is effected, that the Company’s bid price of the Company’s common stock will be sufficient, over time, for the Company to regain or maintain compliance with the Nasdaq minimum bid price requirement.

In addition, the Company believes the Reverse Stock Split will make its common stock more attractive to a broader range of investors, as it believes that the current market price of the common stock may prevent certain institutional investors, professional investors and other members of the investing public from purchasing stock. Many brokerage houses and institutional investors have internal policies and practices that either prohibit them from investing in low-priced stocks or tend to discourage individual brokers from recommending low-priced stocks to their customers. Furthermore, some of those policies and practices may function to make the processing of trades in low-priced stocks economically unattractive to brokers. Moreover, because brokers’ commissions on low-priced stocks generally represent a higher percentage of the stock price than commissions on higher-priced stocks, the current average price per share of common stock can result in individual stockholders paying transaction costs representing a higher percentage of their total share value than would be the case if the share price were higher. The Company believes that the Reverse Stock Split will make our common stock a more attractive and cost effective investment for many investors, which in turn would enhance the liquidity of the holders of our common stock.

Reducing the number of outstanding shares of our common stock through the Reverse Stock Split is intended, absent other factors, to increase the per share market price of our common stock. However, other factors, such as our financial results, market conditions and the market perception of our business may adversely affect the market price of our common stock. As a result, there can be no assurance that the Reverse Stock Split, if completed, will result in the intended benefits described above, that the market price of our common stock will increase following the Reverse Stock Split, that as a result of the Reverse Stock Split we will be able to meet or maintain a bid price over the minimum bid price requirement of Nasdaq or that the market price of our common stock will not decrease in the future. Additionally, we cannot assure you that the market price per share of our common stock after the Reverse Stock Split will increase in proportion to the reduction in the number of shares of our common stock outstanding before the Reverse Stock Split. Accordingly, the total market capitalization of our common stock after the Reverse Stock Split may be lower than the total market capitalization before the Reverse Stock Split.

## **Potential Effects of the Proposed Amendment**

If our stockholders approve the Reverse Stock Split and the board of directors effects it, the number of shares of common stock issued and outstanding will be reduced, depending upon the ratio determined by the board of directors. The Reverse Stock Split will affect all holders of our common stock uniformly and will not affect any stockholder's percentage ownership interest in the Company, except that as described below in "Fractional Shares," record holders of common stock otherwise entitled to a fractional share as a result of the Reverse Stock Split because they hold a number of shares not evenly divisible by the Reverse Stock Split ratio will automatically be entitled to receive an additional fraction of a share of common stock to round up to the next whole share. In addition, the Reverse Stock Split will not affect any stockholder's proportionate voting power (subject to the treatment of fractional shares).

The Reverse Stock Split will not change the terms of the common stock. Additionally, the Reverse Stock Split will have no effect on the number of common stock that we are authorized to issue. After the Reverse Stock Split, the shares of common stock will have the same voting rights and rights to dividends and distributions and will be identical in all other respects to the common stock now authorized. The common stock will remain fully paid and non-assessable.

After the effective time of the Reverse Stock Split, we will continue to be subject to the periodic reporting and other requirements of the Exchange Act. As the Reverse Stock Split only affects our class of common stock, shares of preferred stock, if any, will not be affected.

## **Registered "Book-Entry" Holders of Common Stock**

Our registered holders of common stock hold some or all of their shares electronically in book-entry form with the transfer agent. These stockholders do not have stock certificates evidencing their ownership of the common stock. They are, however, provided with statements reflecting the number of shares registered in their accounts.

Stockholders who hold shares electronically in book-entry form with the transfer agent will not need to take action to receive evidence of their shares of post-Reverse Stock Split common stock.

## **Holders of Certificated Shares of Common Stock**

Stockholders holding shares of our common stock in certificated form will be sent a transmittal letter by the transfer agent after the effective time of the Reverse Stock Split. The letter of transmittal will contain instructions on how a stockholder should surrender his, her or its certificate(s) representing shares of our common stock (the "**Old Certificates**") to the transfer agent. Unless a stockholder specifically requests a new paper certificate or holds restricted shares, upon the stockholder's surrender of all of the stockholder's Old Certificates to the transfer agent, together with a properly completed and executed letter of transmittal, the transfer agent will register the appropriate number of shares of post-Reverse Stock Split common stock electronically in book-entry form and provide the stockholder with a statement reflecting the number of shares registered in the stockholder's account. No stockholder will be required to pay a transfer or other fee to exchange his, her or its Old Certificates. Until surrendered, we will deem outstanding Old Certificates held by stockholders to be cancelled and only to represent the number of shares of post-Reverse Stock Split common stock to which these stockholders are entitled. Any Old Certificates submitted for exchange, whether because of a sale, transfer or other disposition of stock, will automatically be exchanged for appropriate number of shares of post-Reverse Stock Split common stock. If an Old Certificate has a restrictive legend on its reverse side, a new certificate will be issued with the same restrictive legend on its reverse side.

**STOCKHOLDERS SHOULD NOT DESTROY ANY STOCK CERTIFICATE(S) AND SHOULD NOT SUBMIT ANY STOCK CERTIFICATE(S) UNTIL REQUESTED TO DO SO.**

## **Fractional Shares**

We will not issue fractional shares in connection with the Reverse Stock Split. Instead, stockholders who otherwise would be entitled to receive fractional shares because they hold a number of shares not evenly divisible by the Reverse Stock Split ratio will automatically be entitled to receive an additional fraction of a share of common stock to round up to the next whole share. In any event, cash will not be paid for fractional shares.

## **Effect of the Reverse Stock Split on Outstanding Stock Options and Warrants**

Based upon the Reverse Stock Split ratio, proportionate adjustments are generally required to be made to the per share exercise price and the number of shares issuable upon the exercise of all outstanding options and warrants. This would result in approximately the same aggregate price being required to be paid under such options or warrants upon exercise, and approximately the same value of shares of common stock being delivered upon such exercise immediately following the Reverse Stock Split as was the case immediately preceding the Reverse Stock Split. The number of shares reserved for issuance pursuant to these securities will be reduced proportionately based upon the Reverse Stock Split ratio.

## **Accounting Matters**

The proposed amendment to our certificate of incorporation will not affect the par value of our common stock. As a result, at the effective time of the Reverse Stock Split, the stated capital on our balance sheet attributable to the common stock will be reduced in the same proportion as the Reverse Stock Split ratio, and the additional paid-in capital account will be credited with the amount by which the stated capital is reduced. The per share net income or loss will be restated for prior periods to conform to the post-Reverse Stock Split presentation.

## **Certain Federal Income Tax Consequences of the Reverse Stock Split**

The following summary describes, as of the date of this proxy statement, certain U.S. federal income tax consequences of the Reverse Stock Split to holders of our common stock. This summary addresses the tax consequences only to a U.S. holder, which is a beneficial owner of our common stock that is either:

- an individual citizen or resident of the United States;
- a corporation, or other entity taxable as a corporation for U.S. federal income tax purposes, created or organized in or under the laws of the United States or any state thereof or the District of Columbia;
- an estate, the income of which is subject to U.S. federal income taxation regardless of its source; or
- a trust, if: (i) a court within the United States is able to exercise primary jurisdiction over its administration and one or more U.S. persons has the authority to control all of its substantial decisions or (ii) it was in existence before August 20, 1996 and a valid election is in place under applicable Treasury regulations to treat such trust as a U.S. person for U.S. federal income tax purposes.

This summary is based on the provisions of the Internal Revenue Code of 1986, as amended (the “Code”), U.S. Treasury regulations, administrative rulings and judicial authority, all as in effect as of the date of this proxy statement. Subsequent developments in U.S. federal income tax law, including changes in law or differing interpretations, which may be applied retroactively, could have a material effect on the U.S. federal income tax consequences of the Reverse Stock Split.

This summary does not address all of the tax consequences that may be relevant to any particular investor, including tax considerations that arise from rules of general application to all taxpayers or to certain classes of taxpayers or that are generally assumed to be known by investors. This summary also does not address the tax consequences to (i) persons that may be subject to special treatment under U.S. federal income tax law, such as banks, insurance companies, thrift institutions, regulated investment companies, real estate investment trusts, tax-exempt organizations, U.S. expatriates, persons subject to the alternative minimum tax, persons whose functional currency is not the U.S. dollar, partnerships or other pass-through entities, traders in securities that elect to mark to market and dealers in securities or currencies, (ii) persons that hold our common stock as part of a position in a “straddle” or as part of a “hedging transaction,” “conversion transaction” or other integrated investment transaction for federal income tax purposes or (iii) persons that do not hold our common stock as “capital assets” (generally, property held for investment). This summary does not address backup withholding and information reporting. This summary does not address U.S. holders who beneficially own common stock through a “foreign financial institution” (as defined in Code Section 1471(d)(4)) or certain other non-U.S. entities specified in Code Section 1472. This summary does not address tax considerations arising under any state, local or foreign laws, or under federal estate or gift tax laws.

If a partnership (or other entity classified as a partnership for U.S. federal income tax purposes) is the beneficial owner of our common stock, the U.S. federal income tax treatment of a partner in the partnership will generally depend on the status of the partner and the activities of the partnership. Partnerships that hold our common stock, and partners in such partnerships, should consult their own tax advisors regarding the U.S. federal income tax consequences of the Reverse Stock Split.

Each holder should consult his, her or its own tax advisors concerning the particular U.S. federal tax consequences of the Reverse Stock Split, as well as the consequences arising under the laws of any other taxing jurisdiction, including any foreign, state, or local income tax consequences.

#### *General Tax Treatment of the Reverse Stock Split*

The Reverse Stock Split is intended to qualify as a “reorganization” under Section 368 of the Code that should constitute a “recapitalization” for U.S. federal income tax purposes. Assuming the Reverse Stock Split qualifies as a reorganization, a U.S. holder generally will not recognize gain or loss upon the exchange of our ordinary shares for a lesser number of ordinary shares, based upon the Reverse Stock Split ratio. A U.S. holder’s aggregate tax basis in the lesser number of ordinary shares received in the Reverse Stock Split will be the same such U.S. holder’s aggregate tax basis in the shares of our common stock that such U.S. holder owned immediately prior to the Reverse Stock Split. The holding period for the ordinary shares received in the Reverse Stock Split will include the period during which a U.S. holder held the shares of our common stock that were surrendered in the Reverse Stock Split. The United States Treasury regulations provide detailed rules for allocating the tax basis and holding period of the shares of our common stock surrendered to the shares of our common stock received pursuant to the Reverse Stock Split. U.S. holders of shares of our common stock acquired on different dates and at different prices should consult their tax advisors regarding the allocation of the tax basis and holding period of such shares.

**THE FOREGOING IS INTENDED ONLY AS A SUMMARY OF CERTAIN FEDERAL INCOME TAX CONSEQUENCES OF THE REVERSE STOCK SPLIT, AND DOES NOT CONSTITUTE A TAX OPINION. EACH HOLDER OF OUR COMMON SHARES SHOULD CONSULT ITS OWN TAX ADVISOR REGARDING THE TAX CONSEQUENCES OF THE REVERSE STOCK SPLIT TO THEM AND FOR REFERENCE TO APPLICABLE PROVISIONS OF THE CODE.**

#### **Interests of Officers and Directors in this Proposal**

Our officers and directors do not have any substantial interest, direct or indirect, in in this proposal.

#### **Required Vote of Stockholders**

The affirmative vote of the holders of a majority of the outstanding shares of our common stock is required to approve this proposal.

#### **Board Recommendation**

The board of directors unanimously recommends a vote “**FOR**” Proposal 4.

## PROPOSAL 5:

### ADJOURNMENT OR POSTPONEMENT TO SOLICIT ADDITIONAL PROXIES

The purpose of this proposal is to allow the holder of proxies solicited hereby to vote the shares represented by proxies in favor of adjournment or postponement of the Annual Meeting to a later time, in order to allow more time to solicit additional proxies, as necessary if there is not a quorum at the time of the Annual Meeting or if there are insufficient votes at the time of the Annual Meeting to approve any of Proposals 1 through 4.

Any adjournment may be made without notice, other than by an announcement made at the Annual Meeting, of the time, date and place of the adjourned meeting. When a quorum is once present it is not broken by the subsequent withdrawal of any stockholder.

Any adjournment of the Annual Meeting for the purpose of soliciting additional proxies will allow the Company's stockholders who have already sent in their proxies to revoke them at any time prior to their use at the Annual Meeting as adjourned.

If this Proposal 5 is approved and a quorum is not present at the Annual Meeting, it is expected that the holder of proxies solicited hereby will vote to adjourn the Annual Meeting in order for additional proxies to be solicited. The lack of a quorum is one circumstance in which there are insufficient votes to approve Proposals 1 through 4. The holders of the majority of the outstanding shares of our common stock entitled to be cast as of the Record Date, represented in person or by proxy, will constitute a quorum for purposes of the Annual Meeting. A quorum is necessary to hold the Annual Meeting.

Once a share of common stock is represented at the Annual Meeting, it will be counted for the purposes of determining a quorum and for transacting all business, unless the holder is present solely to object to the Annual Meeting. If no quorum exists, the holders of a majority of such shares so present or represented shall have the power to seek to adjourn the meeting from time to time until a quorum shall be present or represented. In accordance with the Delaware law and our second amended and restated bylaws, the adoption of an adjournment would require the approval of a majority of the shares of our common stock present in person or represented by proxy at the Meeting and entitled to vote, even though the number of shares present and entitled to vote is less than a quorum.

If a quorum exists, holders of a majority of the shares of our common stock present in person or represented by proxy at the Annual Meeting and entitled to vote thereat may adjourn the Annual Meeting. If this Proposal 6 is approved, the holder of proxies solicited hereby may approve an adjournment if additional votes are needed to approve any of Proposals 1 through 4.

#### **Required Vote of Stockholders**

The affirmative vote of a majority of the votes cast at the Annual Meeting, regardless of the presence of a quorum, is required to approve the adjournment of the Annual Meeting in order to allow more time to solicit additional proxies.

#### **Board Recommendation**

The board of directors unanimously recommends a vote "**FOR**" Proposal 5.

In the event of any Change in Capitalization, an equitable substitution or proportionate adjustment shall be made in (i) the aggregate number and kind of securities reserved for issuance under the Plan pursuant to Section 4, (ii) the kind, number of securities subject to, and the Exercise Price subject to outstanding Options and Share Appreciation Rights granted under the Plan, (iii) the kind, number and purchase price of Shares or other securities or the amount of cash or amount or type of other property subject to outstanding Restricted Shares, Restricted Stock Units or Other Share-Based Awards granted under the Plan; and/or (iv) the terms and conditions of any outstanding Awards (including, without limitation, any applicable performance targets or criteria with respect thereto); provided, however, that any fractional shares resulting from the adjustment shall be eliminated. Such other equitable substitutions or adjustments shall be made as may be determined by the Administrator, in its sole discretion. Without limiting the generality of the foregoing, in connection with a Change in Capitalization, the Administrator may provide, in its sole discretion, but subject in all events to the requirements of Section 409A of the Code, for the cancellation of any outstanding Award granted hereunder in exchange for payment in cash or other property having an aggregate Fair Market Value equal to the Fair Market Value of the Shares, cash or other property covered by such Award, reduced by the aggregate Exercise Price or purchase price thereof, if any; provided, however, that if the Exercise Price or purchase price of any outstanding Award is equal to or greater than the Fair Market Value of the shares of Common Stock, cash or other property covered by such Award, the Administrator may cancel such Award without the payment of any consideration to the Participant. Further, without limiting the generality of the foregoing, with respect to Awards subject to foreign laws, adjustments made hereunder shall be made in compliance with applicable requirements. Except to the extent determined by the Administrator, any adjustments to ISOs under this Section 5 shall be made only to the extent not constituting a "modification" within the meaning of Section 424(h)(3) of the Code. The Administrator's determinations pursuant to this Section 5 shall be final, binding and conclusive.

## Section 6. Eligibility.

The Participants in the Plan shall be selected from time to time by the Administrator, in its sole discretion, from those individuals that qualify as Eligible Recipients.

## Section 7. Options.

(a) General. Options granted under the Plan shall be designated as Nonqualified Stock Options or ISOs. Each Participant who is granted an Option shall enter into an Award Agreement with the Company, containing such terms and conditions as the Administrator shall determine, in its sole discretion, including, among other things, the Exercise Price of the Option, the term of the Option and provisions regarding exercisability of the Option, and whether the Option is intended to be an ISO or a Nonqualified Stock Option (and in the event the Award Agreement has no such designation, the Option shall be a Nonqualified Stock Option). The provisions of each Option need not be the same with respect to each Participant. More than one Option may be granted to the same Participant and be outstanding concurrently hereunder. Options granted under the Plan shall be subject to the terms and conditions set forth in this Section 7 and shall contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Administrator shall deem desirable and set forth in the applicable Award Agreement.

(b) Exercise Price. The Exercise Price of Shares purchasable under an Option shall be determined by the Administrator in its sole discretion at the time of grant, but in no event shall the exercise price of an Option be less than one hundred percent (100%) of the Fair Market Value of a share of Common Stock on the date of grant.

(c) Option Term. The maximum term of each Option shall be fixed by the Administrator, but no Option shall be exercisable more than ten (10) years after the date such Option is granted. Each Option's term is subject to earlier expiration pursuant to the applicable provisions in the Plan and the Award Agreement. Notwithstanding the foregoing, subject to Section 4(e) of the Plan, the Administrator shall have the authority to accelerate the exercisability of any outstanding Option at such time and under such circumstances as the Administrator, in its sole discretion, deems appropriate.

(d) Exercisability. Each Option shall be exercisable at such time or times and subject to such terms and conditions, including the attainment of performance goals, as shall be determined by the Administrator in the applicable Award Agreement. The Administrator may also provide that any Option shall be exercisable only in installments, and the Administrator may waive such installment exercise provisions at any time, in whole or in part, based on such factors as the Administrator may determine in its sole discretion.

(e) Method of Exercise. Options may be exercised in whole or in part by giving written notice of exercise to the Company specifying the number of whole Shares to be purchased, accompanied by payment in full of the aggregate Exercise Price of the Shares so purchased in cash or its equivalent, as determined by the Administrator. As determined by the Administrator, in its sole discretion, with respect to any Option or category of Options, payment in whole or in part may also be made (i) by means of consideration received under any cashless exercise procedure approved by the Administrator (including the withholding of Shares otherwise issuable upon exercise), (ii) in the form of unrestricted Shares already owned by the Participant which have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which such Option shall be exercised, (iii) any other form of consideration approved by the Administrator and permitted by Applicable Laws or (iv) any combination of the foregoing.

(f) ISOs. The terms and conditions of ISOs granted hereunder shall be subject to the provisions of Section 422 of the Code and the terms, conditions, limitations and administrative procedures established by the Administrator from time to time in accordance with the Plan. At the discretion of the Administrator, ISOs may be granted only to an employee of the Company, its "parent corporation" (as such term is defined in Section 424(e) of the Code) or a Subsidiary of the Company.

(1) *ISO Grants to 10% Stockholders*. Notwithstanding anything to the contrary in the Plan, if an ISO is granted to a Participant who owns shares representing more than ten percent (10%) of the voting power of all classes of shares of the Company, its "parent corporation" (as such term is defined in Section 424(e) of the Code) or a Subsidiary of the Company, the term of the ISO shall not exceed five (5) years from the time of grant of such ISO and the Exercise Price shall be at least one hundred and ten percent (110%) of the Fair Market Value of the Shares on the date of grant.

(2) *\$100,000 Per Year Limitation For ISOs.* To the extent the aggregate Fair Market Value (determined on the date of grant) of the Shares for which ISOs are exercisable for the first time by any Participant during any calendar year (under all plans of the Company) exceeds \$100,000, such excess ISOs shall be treated as Nonqualified Stock Options.

(3) *Disqualifying Dispositions.* Each Participant awarded an ISO under the Plan shall notify the Company in writing immediately after the date the Participant makes a “disqualifying disposition” of any Share acquired pursuant to the exercise of such ISO. A “disqualifying disposition” is any disposition (including any sale) of such Shares before the later of (i) two years after the date of grant of the ISO and (ii) one year after the date the Participant acquired the Shares by exercising the ISO. The Company may, if determined by the Administrator and in accordance with procedures established by it, retain possession of any Shares acquired pursuant to the exercise of an ISO as agent for the applicable Participant until the end of the period described in the preceding sentence, subject to complying with any instructions from such Participant as to the sale of such Shares.

(g) Rights as Stockholder. A Participant shall have no rights to dividends, dividend equivalents or distributions or any other rights of a stockholder with respect to the Shares subject to an Option until the Participant has given written notice of the exercise thereof, and has paid in full for such Shares and has satisfied the requirements of Section 15 hereof.

(h) Termination of Employment or Service. Treatment of an Option upon termination of employment of a Participant shall be provided for by the Administrator in the Award Agreement.

(i) Other Change in Employment or Service Status. An Option shall be affected, both with regard to vesting schedule and termination, by leaves of absence, including unpaid and un-protected leaves of absence, changes from full-time to part-time employment, partial Disability or other changes in the employment status or service status of a Participant, in the discretion of the Administrator.

## **Section 8. Share Appreciation Rights.**

(a) General. Share Appreciation Rights may be granted either alone (“Free Standing Rights”) or in conjunction with all or part of any Option granted under the Plan (“Related Rights”). Related Rights may be granted either at or after the time of the grant of such Option. The Administrator shall determine the Eligible Recipients to whom, and the time or times at which, grants of Share Appreciation Rights shall be made. Each Participant who is granted a Share Appreciation Right shall enter into an Award Agreement with the Company, containing such terms and conditions as the Administrator shall determine, in its sole discretion, including, among other things, the number of Shares to be awarded, the Exercise Price per Share, and all other conditions of Share Appreciation Rights. Notwithstanding the foregoing, no Related Right may be granted for more Shares than are subject to the Option to which it relates. The provisions of Share Appreciation Rights need not be the same with respect to each Participant. Share Appreciation Rights granted under the Plan shall be subject to the following terms and conditions set forth in this Section 8 and shall contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Administrator shall deem desirable, as set forth in the applicable Award Agreement.

(b) Awards; Rights as Stockholder. A Participant shall have no rights to dividends or any other rights of a stockholder with respect to the shares of Common Stock, if any, subject to a Stock Appreciation Right until the Participant has given written notice of the exercise thereof and has satisfied the requirements of Section 15 hereof.

(c) Exercise Price. The Exercise Price of Shares purchasable under a Share Appreciation Rights shall be determined by the Administrator in its sole discretion at the time of grant, but in no event shall the exercise price of a Share Appreciation Rights be less than one hundred percent (100%) of the Fair Market Value of a share of Common Stock on the date of grant.

(d) Exercisability.

(1) Share Appreciation Rights that are Free Standing Rights shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Administrator in the applicable Award Agreement.

(2) Share Appreciation Rights that are Related Rights shall be exercisable only at such time or times and to the extent that the Options to which they relate shall be exercisable in accordance with the provisions of Section 7 hereof and this Section 8 of the Plan.

(e) Payment Upon Exercise.

(1) Upon the exercise of a Free Standing Right, the Participant shall be entitled to receive up to, but not more than, that number of Shares equal in value to the excess of the Fair Market Value as of the date of exercise over the Exercise Price per share specified in the Free Standing Right multiplied by the number of Shares in respect of which the Free Standing Right is being exercised.

(2) A Related Right may be exercised by a Participant by surrendering the applicable portion of the related Option. Upon such exercise and surrender, the Participant shall be entitled to receive up to, but not more than, that number of Shares equal in value to the excess of the Fair Market Value as of the date of exercise over the Exercise Price specified in the related Option multiplied by the number of Shares in respect of which the Related Right is being exercised. Options which have been so surrendered, in whole or in part, shall no longer be exercisable to the extent the Related Rights have been so exercised.

(3) Notwithstanding the foregoing, the Administrator may determine to settle the exercise of a Share Appreciation Right in cash (or in any combination of Shares and cash).

(f) Termination of Employment or Service. Treatment of a Share Appreciation Right upon termination of employment of a Participant shall be provided for by the Administrator in the Award Agreement.

(g) Term.

(1) The term of each Free Standing Right shall be fixed by the Administrator, but no Free Standing Right shall be exercisable more than ten (10) years after the date such right is granted.

(2) The term of each Related Right shall be the term of the Option to which it relates, but no Related Right shall be exercisable more than ten (10) years after the date such right is granted.

(h) Other Change in Employment or Service Status. Share Appreciation Rights shall be affected, both with regard to vesting schedule and termination, by leaves of absence, including unpaid and un-protected leaves of absence, changes from full-time to part-time employment, partial Disability or other changes in the employment or service status of a Participant, in the discretion of the Administrator.

**Section 9. Restricted Shares and Restricted Stock Units.**

(a) General. Restricted Shares or Restricted Stock Units may be issued under the Plan. The Administrator shall determine the Eligible Recipients to whom, and the time or times at which, Restricted Shares or Restricted Stock Units shall be made. Each Participant who is granted Restricted Shares or Restricted Stock Units shall enter into an Award Agreement with the Company, containing such terms and conditions as the Administrator shall determine, in its sole discretion, including, among other things, the number of Shares to be awarded; the price, if any, to be paid by the Participant for the acquisition of Restricted Shares or Restricted Stock Units; the period of time restrictions, performance goals or other conditions that apply to Transferability, delivery or vesting of such Awards (the "Restricted Period"); and all other conditions applicable to the Restricted Shares and Restricted Stock Units. If the restrictions, performance goals or conditions established by the Administrator are not attained, a Participant shall forfeit his or her Restricted Shares or Restricted Stock Units, in accordance with the terms of the grant. The provisions of the Restricted Shares or Restricted Stock Units need not be the same with respect to each Participant.

(b) Awards and Certificates. Except as otherwise provided below in Section 9(c), (i) each Participant who is granted an Award of Restricted Shares may, in the Company's sole discretion, be issued a share certificate in respect of such Restricted Shares; and (ii) any such certificate so issued shall be registered in the name of the Participant, and shall bear an appropriate legend referring to the terms, conditions and restrictions applicable to any such Award. The Company may require that the share certificates, if any, evidencing Restricted Shares granted hereunder be held in the custody of the Company until the restrictions thereon shall have lapsed, and that, as a condition of any Award of Restricted Shares, the Participant shall have delivered a share transfer form, endorsed in blank, relating to the Shares covered by such Award. Certificates for shares of unrestricted Common Stock may, in the Company's sole discretion, be delivered to the Participant only after the Restricted Period has expired without forfeiture in such Restricted Stock Award. With respect to Restricted Stock Units to be settled in Shares, at the expiration of the Restricted Period, share certificates in respect of the shares of Common Stock underlying such Restricted Stock Units may, in the Company's sole discretion, be delivered to the Participant, or his legal representative, in a number equal to the number of shares of Common Stock underlying the Restricted Stock Units Award. Notwithstanding anything in the Plan to the contrary, any Restricted Shares or Restricted Stock Units to be settled in Shares (at the expiration of the Restricted Period, and whether before or after any vesting conditions have been satisfied) may, in the Company's sole discretion, be issued in uncertificated form. Further, notwithstanding anything in the Plan to the contrary, with respect to Restricted Stock Units, at the expiration of the Restricted Period, Shares, or cash, as applicable, shall promptly be issued (either in certificated or uncertificated form) to the Participant, unless otherwise deferred in accordance with procedures established by the Company in accordance with Section 409A of the Code, and such issuance or payment shall in any event be made within such period as is required to avoid the imposition of a tax under Section 409A of the Code.

(c) Restrictions and Conditions. The Restricted Shares or Restricted Stock Units granted pursuant to this Section 9 shall be subject to the following restrictions and conditions and any additional restrictions or conditions as determined by the Administrator at the time of grant or, subject to Section 409A of the Code where applicable, thereafter:

(1) The Administrator may, in its sole discretion, provide for the lapse of restrictions in installments and may accelerate or waive such restrictions in whole or in part based on such factors and such circumstances as the Administrator may determine, in its sole discretion, including, but not limited to, the attainment of certain performance goals, the Participant's termination of employment or service with the Company or any Affiliate thereof, or the Participant's death or Disability. Notwithstanding the foregoing, upon a Change in Control, the outstanding Awards shall be subject to Section 12 hereof.

(2) Except as provided in the applicable Award Agreement, the Participant shall generally have the rights of a stockholder of the Company with respect to Restricted Shares during the Restricted Period; provided, however, that dividends declared during the Restricted Period with respect to an Award, shall only become payable if (and to the extent) the underlying Restricted Shares vest. Except as provided in the applicable Award Agreement, the Participant shall generally not have the rights of a stockholder with respect to Shares subject to Restricted Stock Units during the Restricted Period; provided, however, that, subject to Section 409A of the Code, an amount equal to dividends declared during the Restricted Period with respect to the number of Shares covered by Restricted Stock Units shall, unless otherwise set forth in an Award Agreement, be paid to the Participant at the time (and to the extent) Shares in respect of the related Restricted Stock Units are delivered to the Participant. Certificates for Shares of unrestricted Common Stock may, in the Company's sole discretion, be delivered to the Participant only after the Restricted Period has expired without forfeiture in respect of such Restricted Shares or Restricted Stock Units, except as the Administrator, in its sole discretion, shall otherwise determine.

(3) The rights of Participants granted Restricted Shares or Restricted Stock Units upon termination of employment or service as a director, independent contractor or consultant to the Company or to any Affiliate thereof terminates for any reason during the Restricted Period shall be set forth in the Award Agreement.

(d) Form of Settlement. The Administrator reserves the right in its sole discretion to provide (either at or after the grant thereof) that any Restricted Stock Unit represent the right to receive the amount of cash per unit that is determined by the Administrator in connection with the Award.

#### **Section 10. Other Share-Based Awards.**

Other Share-Based Awards may be issued under the Plan. Subject to the provisions of the Plan, the Administrator shall have sole and complete authority to determine the individuals to whom and the time or times at which such Other Share-Based Awards shall be granted. Each Participant who is granted an Other Share-Based Award shall enter into an Award Agreement with the Company, containing such terms and conditions as the Administrator shall determine, in its sole discretion, including, among other things, the number of shares of Common Stock to be granted pursuant to such Other Share-Based Awards, or the manner in which such Other Share-Based Awards shall be settled (e.g., in shares of Common Stock, cash or other property), or the conditions to the vesting and/or payment or settlement of such Other Share-Based Awards (which may include, but not be limited to, achievement of performance criteria) and all other terms and conditions of such Other Share-Based Awards. In the event that the Administrator grants a bonus in the form of Shares, the Shares constituting such bonus shall, as determined by the Administrator, be evidenced in uncertificated form or by a book entry record or a certificate issued in the name of the Participant to whom such grant was made and delivered to such Participant as soon as practicable after the date on which such bonus is payable. Notwithstanding anything set forth in the Plan to the contrary, any dividend or dividend equivalent Award issued hereunder shall be subject to the same restrictions, conditions and risks of forfeiture as apply to the underlying Award.

#### **Section 11. Cash Awards.**

The Administrator may grant Awards that are denominated in, or payable to Participants solely in, cash, as deemed by the Administrator to be consistent with the purposes of the Plan, and, such Cash Awards shall be subject to the terms, conditions, restrictions and limitations determined by the Administrator, in its sole discretion, from time to time. Awards granted pursuant to this Section 11 may be granted with value and payment contingent upon the achievement of performance goals.

#### **Section 12. Change in Control.**

Unless otherwise determined by the Administrator and evidenced in an Award Agreement, notwithstanding Section 4 (e) of the Plan, in the event that (a) a Change in Control occurs, and (b) the Participant's employment or service is terminated by the Company, its successor or an Affiliate thereof without Cause or by the Participant for Good Reason (if applicable) on or after the effective date of the Change in Control but prior to twelve (12) months following the Change in Control, then:

(a) any unvested or unexercisable portion of any Award carrying a right to exercise shall become fully vested and exercisable; and

(b) the restrictions, deferral limitations, payment conditions and forfeiture conditions applicable to an Award granted under the Plan shall lapse and such Awards shall be deemed fully vested and any performance conditions imposed with respect to such Awards shall be deemed to be fully achieved at target performance levels.

If the Administrator determines in its discretion pursuant to Section 3(b)(4) hereof to accelerate the vesting of Options and/or Share Appreciation Rights in connection with a Change in Control, the Administrator shall also have discretion in connection with such action to provide that all Options and/or Share Appreciation Rights outstanding immediately prior to such Change in Control shall expire on the effective date of such Change in Control.

### **Section 13. Amendment and Termination.**

The Board may amend, alter or terminate the Plan at any time, but no amendment, alteration or termination shall be made that would impair the rights of a Participant under any Award theretofore granted without such Participant's consent. The Board shall obtain approval of the Company's stockholders for any amendment that would require such approval in order to satisfy the requirements of any rules of the stock exchange on which the Common Stock is traded or other Applicable Law. The Administrator may amend the terms of any Award theretofore granted, prospectively or retroactively, but, subject to Section 5 of the Plan and the immediately preceding sentence, no such amendment shall materially impair the rights of any Participant without his or her consent.

### **Section 14. Unfunded Status of Plan.**

The Plan is intended to constitute an "unfunded" plan for incentive compensation. With respect to any payments not yet made to a Participant by the Company, nothing contained herein shall give any such Participant any rights that are greater than those of a general creditor of the Company.

### **Section 15. Withholding Taxes.**

Each Participant shall, no later than the date as of which the value of an Award first becomes includible in the gross income of such Participant for purposes of applicable taxes, pay to the Company, or make arrangements satisfactory to the Administrator regarding payment of an amount up to the maximum statutory tax rates in the Participant's applicable jurisdiction with respect to the Award, as determined by the Company. The obligations of the Company under the Plan shall be conditional on the making of such payments or arrangements, and the Company shall, to the extent permitted by Applicable Laws, have the right to deduct any such taxes from any payment of any kind otherwise due to such Participant. Whenever cash is to be paid pursuant to an Award, the Company shall have the right to deduct therefrom an amount sufficient to satisfy any applicable withholding tax requirements related thereto. Whenever Shares or property other than cash are to be delivered pursuant to an Award, the Company shall have the right to require the Participant to remit to the Company in cash an amount sufficient to satisfy any related taxes to be withheld and applied to the tax obligations; provided, that, with the approval of the Administrator, a Participant may satisfy the foregoing requirement by either (i) electing to have the Company withhold from delivery of Shares or other property, as applicable, or (ii) delivering already owned unrestricted shares of Common Stock, in each case, having a value not exceeding the applicable taxes to be withheld and applied to the tax obligations. Such already owned and unrestricted shares of Common Stock shall be valued at their Fair Market Value on the date on which the amount of tax to be withheld is determined and any fractional share amounts resulting therefrom shall be settled in cash. Such an election may be made with respect to all or any portion of the Shares to be delivered pursuant to an award. The Company may also use any other method of obtaining the necessary payment or proceeds, as permitted by Applicable Laws, to satisfy its withholding obligation with respect to any Award.

### **Section 16. Transfer of Awards.**

Until such time as the Awards are fully vested and/or exercisable in accordance with the Plan or an Award Agreement, no purported sale, assignment, mortgage, hypothecation, transfer, charge, pledge, encumbrance, gift, transfer in trust (voting or other) or other disposition of, or creation of a security interest in or lien on, any Award or any agreement or commitment to do any of the foregoing (each, a "Transfer") by any holder thereof in violation of the provisions of the Plan or an Award Agreement will be valid, except with the prior written consent of the Administrator, which consent may be granted or withheld in the sole discretion of the Administrator. Any purported Transfer of an Award or any economic benefit or interest therein in violation of the Plan or an Award Agreement shall be null and void *ab initio* and shall not create any obligation or liability of the Company, and any Person purportedly acquiring any Award or any economic benefit or interest therein transferred in violation of the Plan or an Award Agreement shall not be entitled to be recognized as a holder of such Shares or other property underlying such Award. Unless otherwise determined by the Administrator in accordance with the provisions of the immediately preceding sentence, an Option or a Share Appreciation Right may be exercised, during the lifetime of the Participant, only by the Participant or, during any period during which the Participant is under a legal Disability, by the Participant's guardian or legal representative.

### **Section 17. Continued Employment or Service.**

Neither the adoption of the Plan nor the grant of an Award shall confer upon any Eligible Recipient any right to continued employment or service with the Company or any Affiliate thereof, as the case may be, nor shall it interfere in any way with the right of the Company or any Affiliate thereof to terminate the employment or service of any of its Eligible Recipients at any time.

### **Section 18. Effective Date.**

The Plan was adopted by the Board on October 10 and shall become effective on the date that it is approved by the Company's stockholders (the "Effective Date").

### **Section 19. Electronic Signature.**

Participant's electronic signature of an Award Agreement shall have the same validity and effect as a signature affixed by hand.

### **Section 20. Term of Plan.**

No Award shall be granted pursuant to the Plan on or after the tenth anniversary of the Effective Date, but Awards theretofore granted may extend beyond that date.

### **Section 21. Securities Matters and Regulations.**

(a) Notwithstanding anything herein to the contrary, the obligation of the Company to sell or deliver Shares with respect to any Award granted under the Plan shall be subject to all Applicable Laws, rules and regulations, including all applicable federal and state securities laws, and the obtaining of all such approvals by governmental agencies as may be deemed necessary or appropriate by the Administrator. The Administrator may require, as a condition of the issuance and delivery of certificates evidencing shares of Common Stock pursuant to the terms hereof, that the recipient of such shares make such agreements and representations, and that such certificates bear such legends, as the Administrator, in its sole discretion, deems necessary or advisable.

(b) Each Award is subject to the requirement that, if at any time the Administrator determines that the listing, registration or qualification of Shares is required by any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the grant of an Award or the issuance of Shares, no such Award shall be granted or payment made or Shares issued, in whole or in part, unless listing, registration, qualification, consent or approval has been effected or obtained free of any conditions not acceptable to the Administrator.

(c) In the event that the disposition of Shares acquired pursuant to the Plan is not covered by a then current registration statement under the Securities Act and is not otherwise exempt from such registration, such Shares shall be restricted against transfer to the extent required by the Securities Act or regulations thereunder, and the Administrator may require a Participant receiving Common Stock pursuant to the Plan, as a condition precedent to receipt of such Common Stock, to represent to the Company in writing that the Common Stock acquired by such Participant is acquired for investment only and not with a view to distribution.

**Section 22. Section 409A of the Code.**

The Plan as well as payments and benefits under the Plan are intended to be exempt from, or to the extent subject thereto, to comply with Section 409A of the Code, and, accordingly, to the maximum extent permitted, the Plan shall be interpreted in accordance therewith. Notwithstanding anything contained herein to the contrary, to the extent required in order to avoid accelerated taxation and/or tax penalties under Section 409A of the Code, the Participant shall not be considered to have terminated employment or service with the Company for purposes of the Plan and no payment shall be due to the Participant under the Plan or any Award until the Participant would be considered to have incurred a “separation from service” from the Company and its Affiliates within the meaning of Section 409A of the Code. Any payments described in the Plan that are due within the “short term deferral period” as defined in Section 409A of the Code shall not be treated as deferred compensation unless Applicable Law requires otherwise. Notwithstanding anything to the contrary in the Plan, to the extent that any Awards (or any other amounts payable under any plan, program or arrangement of the Company or any of its Affiliates) are payable upon a separation from service and such payment would result in the imposition of any individual tax and penalty interest charges imposed under Section 409A of the Code, the settlement and payment of such awards (or other amounts) shall instead be made on the first business day after the date that is six (6) months following such separation from service (or death, if earlier). Each amount to be paid or benefit to be provided under this Plan shall be construed as a separate identified payment for purposes of Section 409A of the Code. The Company makes no representation that any or all of the payments or benefits described in this Plan will be exempt from or comply with Section 409A of the Code and makes no undertaking to preclude Section 409A of the Code from applying to any such payment. The Participant shall be solely responsible for the payment of any taxes and penalties incurred under Section 409A.

**Section 23. Notification of Election Under Section 83(b) of the Code.**

If any Participant shall, in connection with the acquisition of shares of Common Stock under the Plan, make the election permitted under Section 83(b) of the Code, such Participant shall notify the Company of such election within ten (10) days after filing notice of the election with the Internal Revenue Service.

**Section 24. No Fractional Shares.**

No fractional shares of Common Stock shall be issued or delivered pursuant to the Plan. The Administrator shall determine whether cash, other Awards, or other property shall be issued or paid in lieu of such fractional shares or whether such fractional shares or any rights thereto shall be forfeited or otherwise eliminated.

**Section 25. Beneficiary.**

A Participant may file with the Administrator a written designation of a beneficiary on such form as may be prescribed by the Administrator and may, from time to time, amend or revoke such designation. If no designated beneficiary survives the Participant, the executor or administrator of the Participant’s estate shall be deemed to be the Participant’s beneficiary.

**Section 26. Paperless Administration.**

In the event that the Company establishes, for itself or using the services of a third party, an automated system for the documentation, granting or exercise of Awards, such as a system using an internet website or interactive voice response, then the paperless documentation, granting or exercise of Awards by a Participant may be permitted through the use of such an automated system.

**Section 27. Severability.**

If any provision of the Plan is held to be invalid or unenforceable, the other provisions of the Plan shall not be affected but shall be applied as if the invalid or unenforceable provision had not been included in the Plan.

### **Section 28. Clawback.**

(a) If the Company is required to prepare a financial restatement due to the material non-compliance of the Company with any financial reporting requirement, then the Committee may require any Section 16 Officer to repay or forfeit to the Company, and each Section 16 Officer agrees to so repay or forfeit, that part of the Incentive Compensation received by that Section 16 Officer during the three-year period preceding the publication of the restated financial statement that the Committee determines was in excess of the amount that such Section 16 Officer would have received had such Incentive Compensation been calculated based on the financial results reported in the restated financial statement. The Committee may take into account any factors it deems reasonable in determining whether to seek recoupment of previously paid Incentive Compensation and how much Incentive Compensation to recoup from each Section 16 Officer (which need not be the same amount or proportion for each Section 16 Officer), including any determination by the Committee that a Section 16 Officer engaged in fraud, willful misconduct or committed grossly negligent acts or omissions which materially contributed to the events that led to the financial restatement. The amount and form of the Incentive Compensation to be recouped shall be determined by the Committee in its sole and absolute discretion, and recoupment of Incentive Compensation may be made, in the Committee's sole and absolute discretion, through the cancellation of vested or unvested Awards, cash repayment or both.

(b) Notwithstanding any other provisions in this Plan, any Award which is subject to recovery under any Applicable Laws, government regulation or stock exchange listing requirement, will be subject to such deductions and clawback as may be required to be made pursuant to such Applicable Law, government regulation or stock exchange listing requirement (or any policy adopted by the Company pursuant to any such law, government regulation or stock exchange listing requirement).

### **Section 29. Governing Law.**

The Plan shall be governed by, and construed in accordance with, the laws of the State of Delaware, without giving effect to principles of conflicts of law of such state.

### **Section 30. Indemnification.**

To the extent allowable pursuant to applicable law, each member of the Board and the Administrator and any officer or other employee to whom authority to administer any component of the Plan is delegated shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action or failure to act pursuant to the Plan and against and from any and all amounts paid by him or her in satisfaction of judgment in such action, suit, or proceeding against him or her; provided, however, that he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such individuals may be entitled pursuant to the Company's Certificate of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

### **Section 31. Titles and Headings, References to Sections of the Code or Exchange Act.**

The titles and headings of the sections in the Plan are for convenience of reference only and, in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control. References to sections of the Code or the Exchange Act shall include any amendment or successor thereto.

### **Section 32. Successors.**

The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor corporation or organization succeeding to substantially all of the assets and business of the Company.

### **Section 33. Relationship to other Benefits.**
